

LifeSkills

Curriculum Training

Elementary School Level – Grades 3-4-5 or 4-5-6

Middle School Level – Grades 6-7-8 or 7-8-9

LifeSkills is a proven, highly effective, substance abuse prevention program designed to: provide students with the necessary skills to resist social pressures to smoke, drink and use drugs; to help them develop greater self-esteem, self-mastery, and self-confidence; to enable children to effectively cope with social anxiety; to increase their knowledge of the immediate consequences of substance use.

The **Elementary level** is for implementation in grades 3-4-5 or 4-5-6 and it consists of 8 lessons for each of the three years. The **Middle School level** is for implementation in grades 6-7-8 or 7-8-9 and it consists of 15 lessons the first year, 10 lessons the second year and 5 lessons the third year. A **High School Level** manual is also available.

Target Audience

Teachers & School Counselors, Prevention Advocates, Safe & Drug-Free School Coordinators, School Nurses

Workshop Goals

The goal of the teacher-training workshop is to provide participants with: an understanding of how and why the *LifeSkills Training* (LST) program works; an overview of the theory and research supporting the program; an exploration of the curriculum; modeling of key teaching skills; and increased confidence in teaching the LST prevention education curriculum

Cost

\$20.00 per participant. Your District's Title IV funds may be used to cover expenses such as substitute teacher pay, mileage, etc. We do accept purchase orders and **checks payable to Human Service Agency** or we can bill your school/agency after the training.

Credit

Application has been made for participants to receive 1 graduate and undergraduate credit through Augustana College which will cost an additional \$50.00. Application has been made for Teacher Renewal Credit through the Department of Education at no extra charge. CCBT credit is available at no charge through the Certification Board of Alcohol and Drug Professionals (CBADP), SD Board of Social Workers, and SD Board of Counselors Examiners.

Curriculum

Prior to the training, participants will be sent an email in which they will be asked to decide which level of the *LifeSkills Training* Curriculum they would like to receive.

Following the training, the SD Tobacco Program will provide additional *LifeSkills* material, including teacher manuals and student guides to schools who commit to implementing the curriculum for at least one full school year at no charge. More information about this opportunity will be available at the training.
